

Bambino

SPC COLLECTION

BB-XIV Cliffside Oak

Offer your customers the look of hardwood with all the performance capabilities of rigid core. Featuring the latest designer colors and sought-after wire-brushed visuals with a painted bevel, Bambino features an aluminum oxide-treated, 12 mil wear layer, offering added durability against scratches and scuffs, while the SPC core provides improved dent-resistance. An attached pad simplifies installation while providing improved sound reduction, making it an excellent choice for multifamily, residential remodel, or even light commercial.
