Door Glass Collections

Woodgrain Doors has a glass collection with 23 unique designs

Woodgrain Doors offers 23 glass options to further customize your door. Choose from either a Clear Single Glazed or Insulated Low E glass types. Clear Single Glazed is a single piece of tempered glass whereas Low E Insulated is coated and insulated, which allows it to reflect radiant heat, making it a more energy efficient option.

PRIVACY:

This indicates the amount of privacy that each glass profile allows through it. 1 being little privacy and 10 being full privacy.

LIGHT:

This indicates the amount of light that each glass profile allows through it. 1 being lots of light and 10 being no light.
