WOODGRAIN EXTERIOR DOORS

DEPTH AND BREADTH OF EXTERIOR DOOR PROGRAM

Woodgrain Doors is one of the leading manufacturers of custom wood stiles and rail doors in America. With domestic manufacturing operations in Nampa, ID, Woodgrain is able to offer a wide array of custom exterior door products that are both on trend and cost effective. Hundreds of exterior wood door styles are available to compliment the look of any home and is sure to increase curb appeal.

Woodgrain Doors combines beauty, strength and durability in every door we offer with a newly enhanced offering of exterior wood door products. By combining the breadth of styles, designs, and various wood species Woodgrain Doors offers superior craftsmanship in all of your products, you are sure to find the exterior door to meet your functional needs while also enhancing the look and feel of your home.

Woodgrain Doors produces beautiful exterior doors in Ponderosa, Radiata, Knotty Pine, Primed, Knotty Alder, Fir, Rustic Hickory, Walnut, and Mahogany.

We have Enhanced our exterior wood door offering by adding an MDO core to all 1-3/4" Exterior flat panel wood doors in our Knotty Alder (KAL), Douglas Fir (FIR), Rustic Hickory (RHK), Walnut (WAL), and Mahogany (MHG) *(Khaya & Sapele) species. All Woodgrain doors are built with wood engineered stile and rails to withstand exterior conditions with proper care and finishing.

CHOOSE YOUR PERFECT EXTERIOR DOOR TYPE:
